June, 1969

Since September, 1968, we have had a group of students and a teacher working very hard to collect and preserve for you your 1968-1969 school memories.

I would like to take this opportunity to extend my personal congratulations and thanks to Miss Gray, Advisor, and all members of the Yearbook staff for this fine annual.

Special thanks are extended to Mr. Morrison who was responsible for so many of the photographs. To Paul Wilder, who designed the winning cover, I extend my congratulations.

It is, indeed, a most excellent school yearbook.

Sincerely,

*Paul Muha*
